Neither the Company nor any of its affiliates, advisers or representatives accepts any responsibility whatsoever for any loss or damage arising from any information presented or contained in these materials.

The information presented or contained in these materials is subject to change without notice and its accuracy is not guaranteed. The presentations do not constitute an offer or invitation to purchase or subscribe for any shares or other securities of the Company and neither any part of the materials nor any information or statement contained therein shall form the basis of or be relied upon in connection with any contract or commitment whatsoever. Certain statements or other disclosure content in these presentation materials August include, in addition to historical information, "forward-looking statements" within the meaning of the "safe-harbor" provisions of the U.S. Private Securities Litigation Reform Act of 1995. Forward-looking statements can generally be identified by the use of forward-looking terminology, such as "August," "will," "expect," "intend," "estimate," "anticipate," "believe," "project," or "continue" or the negative thereof or other similar words, although not all forward-looking statements will contain these words. These forward-looking statements are based on our current assumptions, expectations and projections about future events. All forward-looking statements involve risks and uncertainties that August cause our actual performance, financial condition or results of operations to be materially different from those suggested by the forward-looking statements, including, but not limited to, our ability to diversify revenue; our ability to collect, and in a timely manner, license fees and royalty payments from overseas licensees; our ability to acquire, develop, license, launch, market or operate commercially successful online games; our ability to compete effectively in a highly competitive industry; our ability to anticipate and access technological developments in our industry; our ability to recruit and retain quality employees as we grow; our ability to implement our growth strategies; and economic and political conditions globally. Investors should consider the information contained in our submissions and filings with the United States Securities and Exchange Commission (the "SEC") including our annual report for the fiscal year ended December 31, 2024 on Form 20-F, together with such other documents that we August submit to or file with the SEC from time to time, including on Form 6-K. The forward-looking statements speak only as of this press release and we assume no duty to update them to reflect new, changing or unanticipated events or circumstances.
