

Agreement of Compliance

I will make an this agreement that on doing my business, I will be always honest to my customer, pursuit the common benefits through fair transactions with vendors, fairly compete with my competitor and comply with these following things for society and shareholders:

1. Carrying out my business, I will not fabricate the documents and figures in different manner from the facts and fairly report all things.
2. Carrying out my business, I will comply with the company's code of ethics and not be related to any unfair transactions, any kind of frauds and conflicts of interest.
3. Also on doing my business, when known any unfair transactions and any kinds of fraud and embezzlement, or received any goods from vendors, I will report those cases to chief compliance officer and internal audit team without any hesitation.
4. In case of regular or incident internal auditing about unfair transaction, fraud and embezzlement, I will cooperate with internal audit team by providing all documents and interviews.
5. If any infraction exists against this agreement, I will take all responsibilities according to company's code of ethics.

※ This agreement with my signature will be kept in the company as a testimony.
